Mr. jagdish Kumar
Mr. Mulchand Prajapat
& Other Plumbing Technical Team

Our Scope

Our scope of design and execution starts from designing of underground sumps to final disposal of sewage after treatment.

The design and execution includes,

- * Water transfer system
- * Water softening plant.
- * Automatic Hydro pneumatic water pumping system
- * Hot & cold water piping system
- * Solar water heater installation
- * Soil & waste water disposal system
- * Rainwater installation
- * Automatic sewage transfer pumps
- * Automatic storm water transfer pumps
- * Installation of sanitary wares.
- * Rainwater harvesting

The building is served with direct water supply to fixtures through Hydro pneumatic pumping system. Addl. Roof tank is also incorporated to take care at the power failures. Our expert team of dedicated technicians carried out the entire installation and Commissioned the whole system .
