- ❖ Able to effectively use brushes, spray guns, or rollers.
- ❖ Responsible for maintaining property color scheme specifications.
- ❖ Responsible for maintaining and match shades of particular areas.
- ❖ Apply primers or sealers to prepare new surfaces, such as bare wood or metal, for finish coats.

- ❖ Remove old finishes by stripping, sanding, wire brushing, burning, or using water and/or abrasive blasting.
- ❖ Cover surfaces with appropriate material for protection during painting and posts appropriate paint signs.
- ❖ Clean up and store paint and painting tools and equipment in appropriate areas.
- ❖ Use proper equipment, wear appropriate personal protective clothing (PPE), and employ correct lifting procedures, as necessary, to avoid injury.
- ❖ Coordinate with the vendor in order to modify colors of paint, stain, or varnish.

Interior Designer

Interior designers make indoor spaces functional, safe, and beautiful by determining space requirements and selecting essential and decorative items, such as colors, lighting, and materials. They must be able to draw, read, and edit blueprints. They also must be aware of building codes, inspection regulations, and other considerations, such as accessibility standards.

Interior designers typically do the following:

- ❖ Determine the client's goals and requirements for the project.
- ❖ Consider how the space will be used and how people will move through the space.
- ❖ Sketch preliminary design plans, including electrical and partition layouts.

- ❖ Specify materials and furnishings, such as lighting, furniture, wall finishes, flooring, and plumbing fixtures.
- ❖ Create a timeline for the interior design project and estimate project costs.
- ❖ Place orders for materials and oversee the installation of the design elements.
- ❖ Oversee construction and coordinate with general building contractors to implement the plans and specifications for the project.
- ❖ Visit the site after the project is complete, to ensure that the client is satisfied.

OUR TEAM

- ❖ A lot of repeat business reflects the trust and value our clients place in our experienced staff. Offering most of the essential services in-house also contributes to better execution of projects by streamlining the team's communication and helps in delivering the projects in the given period and manage the costs effectively.
