ABOUT-US

WE HAVE ABOUT 15 YEARS OF EXPERIENCE IN HORTICULTURE.

Jai Balaji Landscape Design Contractors Company, was established in 2007. Our Reg. The offices and branches across India are well qualified and Experienced staff to provide the best and round the clock services. we provide our customers All service with nominal charges to ensure quick and timely delivery.

Our landscape designs are custom made to suit the needs of our individual clients. We understand that no two projects are the same, thus we strive to uniquely enhance the overall aesthetic of each site we have the pleasure of working with.

OUR SERVICES

HOTEL LANDSCAPE DESIGNING

The best luxury hotel designs create an attractive and safe environment that makes for loyal customers. Attract more guests and keep them coming back by enhancing your property with pools, pathways, golf courses and attractive, sustainable landscapes..

HOTEL LANDSCAPE DESIGNING

Our partnership ensures your garden needs are met with maintenance, fertilization, tree care, weed and pest management, hurricanepreparedness and response, and outdoor maintenance services.

PLANTATION SERVICES

Our community and environment have done so much for us and now it is our turn to return the favor. We are helping people with tree planting services and growing a billion trees and we know we can't do it alone. This is going to make the whole country come together and bring change.

GARDEN DEVELOPER

We always keep a close watch on the changing trends and act accordingly. Our offered installation and development services are tested and highly equipped for large and complex projects.

OUR SERVICES

LANDSCAPE GARDENING

Landscape gardening is also defined as the process of beautifying a piece of land that houses a house or any other object. Landscape gardening is done by planting lawns, shrubs and trees to create landscapes.

TERRACE GARDEN & BALCONY

We offer a range of plants grown in the Terrace Garden from our established nursery. And We offer diverse and innovative designs for compact areas such as balconies,

FARMHOUSE MAINTENANCE & DEVELOPMENT

We provide Farmhouse Maintenance & Development to meet your needs. You Contact us so we can create a beautiful balcony garden designed to meet your gardening needs. .

LANDSCAPE DEVELOPMENT

Our primary goal is to design and create landscapes. Maintaining these scenarios is part of our service. At Jai Balaji we use best quality material available, which is procured from trusted vendors. Despite the high quality, our prices are modest and affordable.
